Please indicate one aspect of the session that you **enjoyed the most**.

- Wow! Now, here, present! This experiential simulation taught us through direct experience.
- Experiential. I know that the information and model will continue to influence me.
- Practicing spontaneous metaphor – poetry
- The fun of session such as songs, jabbian language exercise
- Safe environment for those frightened of improv. Lots of fun!
- Experiential work with excellent application. We need more of these kinds of learning.
- I enjoyed the interaction, the experiential nature of it – the workbook great
- All of it! Phenomenal experience. I am so glad I overcame my fear and attended.
- The spontaneous experience
- This was the most helpful session I have ever done. Well put together.

Please indicate one aspect of the session that you would **suggest changing**.

- Could be a whole day workshop
